

CPS BOE-District Updates October 2022

Great Start to New School Year

Our students and staff have settled into routines for academic learning. School activities, athletics, and after school clubs and events are seeing increased participation as our students and families find connections and a sense of belonging in our schools!

New CPS Strategic Plan Adopted

The plan creates a roadmap for academic improvement, program development, enrichment experiences, strong school communities, student supports, and equitable outcomes for our students.
