

CLINTON BOARD OF EDUCATION

Board of Education members serve as elected town officials, but have a role as agents of the state. The Connecticut General Statutes directs Boards of Education to maintain good public elementary and secondary schools, implement the educational interests of the state, and provide other educational activities as in its judgement will best serve the interests of the school district.

The Board of Education is also charged with preparing an itemized estimate of expenses for operating the schools. In addition, there are hundreds of legal mandates, both state and federal, that must be met and funded within the budget. While too numerous to include here, a short list of those mandates include:
