

PARENT/GUARDIAN PERMISSION FORM
Electronic Publishing of Student Work/Photograph

Privacy Standards:

1. No confidential information shall be published on or linked to the web site.
2. Student work may be published on web pages only with written consent of the student if emancipated, or the student’s parent/guardian.
3. Photographs of students may be included only under the following conditions:
 - Individual student photographs may be published on the website only with written consent of the student’s parent/guardian or emancipated student.
 - Students shall not be individually identified in photographs unless there is a special reason for doing so, such as recognition for receiving an award. In such cases, the student’s parent/guardian or emancipated student must give written consent.
 - *Group photographs (2 or more students) may be published without parent/guardian consent as long as students are not individually identified. Parent permission must be granted in order to list students’ names.*
