If you are unsure if a child is in compliance, please call the Immunization Program at (860) 509-7929.

#### **New Entrant Definition:**

\*New entrants are any students who are new to the school district, including **all** preschoolers and all students coming in from Connecticut private, parochial and charter schools located in the same or another community. **All preschoolers, as well as all students entering kindergarten**, including those repeating kindergarten, and those moving from any public or private pre-school program, even in the same school district, **are considered new entrants**. The one exception is students returning from private approved special education placements—they are not considered new entrants.

Vaccines supplied by the State of Connecticut are listed [here](#), along with brand names.
